

January is the start of a brand  
spanking new year  
We will be coming by each month  
to bring you Christmas cheer.  
You are someone special and we  
want you to know  
You don't have to do anything, just  
go with the flow!  
We hope to get off to a great start  
So here is a little gift from the  
heart!

February is the month  
about Love  
The greatest gift of  
love came from Above.  
We are trying to show  
some love to you  
By leaving these  
goodies for all you do!

March is here to  
spread its fun  
We celebrate all  
that Christ Jesus  
has done.  
Please accept this  
gift from us to you  
It is the least that  
we can do!

April may bring  
some showers  
But remember to  
stop and smell  
the flowers.  
Hope you like this  
little gift for you  
We don't want  
you feeling blue.
